SENTO

SENTO

The new, Scandinavian designed furniture range features delicately rounded edges in combinations that can be tailored for both smaller bathrooms and to suit larger proportioned rooms.

Stand out features include: LED sensor lighting under the washbasin unit which adds to the feeling of space and creates reassuring illumination. The soft close drawers fully extend and are complemented by non-slip mats. There are co-ordinating mirrors, mirror cabinets and additional storage furniture.

Sento washbasin vanity units offer a practical washbasin design with a deep bowl, a large vanity area and back rim features. Washbasin units are available in different widths (50cm, 65cm, 80cm and 100cm) and a double washbasin unit (130cm).

In addition to the wall-hung WC there are close-coupled open back and back-to-wall WC options. The slim WC seats and cistern lids add elegance and a clean line to the bathroom design. The fully back-to-wall pans and the wall-hung pans have Rim-ex technology which prevents the spread of germs thanks to its easy to clean design.

The range also includes a selection of mid and tall units which can either be stand-alone or used with the stylish oak console table to provide additional design layouts. There is also a useful wall unit with an up and over door.

All furniture units with doors or two drawers can be mounted with or without oak legs and must also be wall-hung.

The range of vanity units and furniture are available in three subtle matt hues; white, cream and anthracite.

WASHBASIN UNITS

- Available in 50cm, 65cm, 80cm and 100cm widths
- Double washbasin option (130cm)
- Thermoform finish available in matt white, matt cream and matt anthracite
- Door/s, single drawer and double drawer options to meet different storage and space requirements
- Non-slip mats inside all drawers
- LED sensor lighting underneath the washbasin units
- Soft close and fully extendable drawers
- 50cm compact washbasin option with doors, perfect for cloakrooms
- Optional oak leg set for use with any washbasin unit with door/s or two drawers

Sento

This comprehensive range offers choice and the opportunity to create a unique bathroom design based on your bathroom needs.

STORAGE UNITS

- Available in matt white, matt cream and matt anthracite
- Tall unit with two options; two door with shelves or single door and pull out laundry basket
- Mid-unit with one door and a recessed vanity area on top with concealed storage space
- All furniture storage units should be wall-hung and can be used with or without legs
- Console unit – an oak base with five legs for use with the mid or tall units
- Wall cabinet – with an up and over door, two shelves and a pull out drawer. Shelf depth is 15cm. This a perfect choice for half tiled bathrooms.

Sento

From mirrors with all-round LED lighting to vanity units with sensor floor lighting, Sento provides a range of lighting options. Multiple layers of light from a variety of sources are the secret to a successful bathroom lighting scheme.

LED LIGHTING

- All vanity units have LED sensor lighting underneath the unit
- On approach, the LED sensor is activated to provide floor level lighting to illuminate the bathroom

MIRROR AND MIRROR CABINETS

- A range of mirrors and mirror cabinets to complement the washbasin vanity units
- Available in 50cm, 60cm, 80cm, 100cm and 120cm
- Mirrors have all-round LED lighting with a touch sensor on/off switch with variable light intensity settings
- Mirror cabinets have frosted LED lighting at the top of the unit with an on/off switch under the cabinet

Sento

The Sento range started as a simple wall-hung WC and due to its popularity the range has been extended to include close-coupled, back-to-wall and bidet options. The simple curve of the bowl and the slim cistern lid on the close-coupled option makes a beautiful and elegant statement.

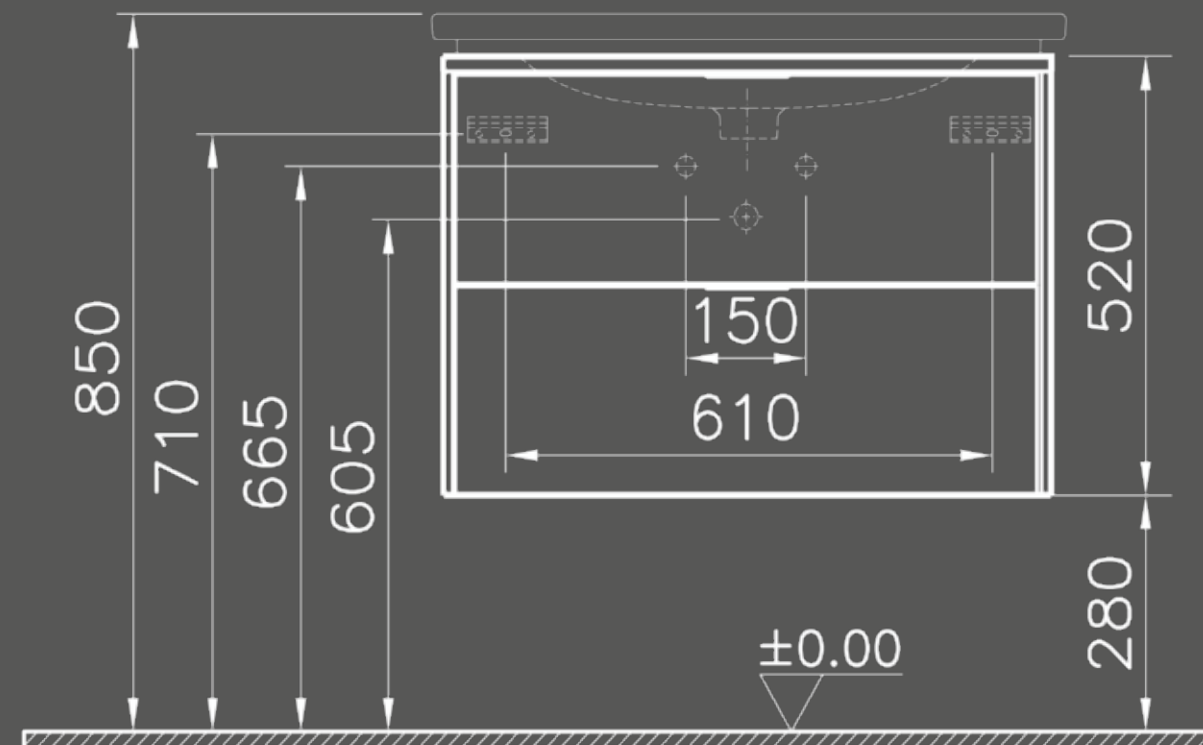

WC PANS

- Wall-hung available in both compact and standard projection
- Close-coupled WC available in both fully back-to-wall and open back options
- Back-to-wall WC
- Rim-ex technology is available with close-coupled and wall-hung WC's
- Seats are soft closing with a slim seat option
